

Don't let vision loss slow you down!

Muscatine Vision Loss Resource Fair

Presenting information, tools, and techniques for living with vision loss

April 10, 2013

12:30 p.m. – 3:00 p.m.

**New Hope United Methodist Church
3215 Tipton Rd, Muscatine**

Special Guest Speaker

Dr. Jed Burkey, OD of Vision Center P.C.

1:00 - 2:00 p.m.

If you are experiencing blindness or vision loss, we can help!

- Devices to help with everyday activities
- Tips on how to complete tasks when vision loss makes them difficult
- Find out how to have audio books and magazines delivered to your mailbox
- Demonstrations of assistive technology, magnifiers, and screen reading devices by Magnification Resources, the Low Vision Store, and Vision Helpers
- IRIS and Newline®, and APRIS free newspaper reading programs
- Get information on the local support group
- Visit with Iowa Department for the Blind staff

Everyone is welcome!
