

Don't let vision loss slow you down!

Fairfield Vision Loss Resource Fair

Presenting information, tools, and techniques for living with vision loss

April 11, 2013

9:30 a.m. – 12:00 p.m.

**Fairfield Arts and Convention Center
200 North Main Street, Fairfield**

Special Guest Speaker

Dr. Matthew J. Donner, OD

10:30 a.m. – 11:15 a.m.

If you are experiencing blindness or vision loss, we can help!

- Visit with Iowa Department for the Blind staff
- Find out how to have audio books and magazines delivered to your mailbox
- Learn about IRIS and Newsline®, free newspaper reading programs
- Demonstrations of assistive technology, magnifiers, and screen reading devices by Magnification Resources, the Low Vision Store, and Vision Helpers
- Get information on the local Support Group for Visually Impaired Individuals
- Tips on how to complete tasks when vision loss makes them difficult
- Devices to help with everyday activities

Everyone is welcome!
