Bid Description

The Iowa Department for the Blind is currently accepting bids for vending machines. All units with the exception of single or dual hopper currency changers must have multi drop bus (MDB) coin acceptors and MDB bill acceptors. All units should be compatible with speech output using a Doubletalk Lite portable speech unit. Speech compatible units must be delivered with all necessary parts installed for the unit to work with a Doubletalk Lite speech unit. Delivery to the Iowa Department for the Blind warehouse is required with delivery times and dates being arranged in advance. Delivery may require a lift gate equipped vehicle. Delivery costs are to be included in the bid pricing for each unit. All units offered must be UL listed. Please include complete warranty information for all units. Full bid specs can be obtained from Bruce Snethen. See contact info. Bids must be received no later than 2/15/10 4:30 p.m.
